

Massage Therapists' Pledge

I commit my knowledge, skills and intention to serve the best interests of my clients and to facilitate their health and wellbeing.

My practice of client care will be conducted with respect, dignity and compassion.

I will engage in respectful collegial relationships with members of my own profession and other health care professions.

I will value the trust that society has vested in me as a health care practitioner by being accountable, ethical and responsible.

I make this pledge with integrity and of my own free will.
